Presidents Corner

Welcome members to our 3rd newsletter, informing you of Club activities etc.

Firstly, we mourn the very sad loss of Member and very active Committee man, Graham Robertson. I'm sure Graham would have been chuffed to see the Cosmopolitan Club lounge, dining room and downstairs filled with many of his friends and family attending his farewell on Friday 5th August. We will miss him very much and our deepest sympathies go to his wife Gaye and his family.

Our committee are very busy working away with various projects at present. Firstly, being delegated to the various sports sections within our club and trying to see if we can strengthen our weaker ones. We still need to revive our 8 ball section and if any members young or old would like to be part of this, the committee will gladly help where needed. Please let us know if you are interested.

We are looking at various ways of bringing our two levels to one and with lots of thoughts on paper, we are in the process of making plans to what we think will suit our club and members needs.

Our **Kitchen** needs updating and we are hoping before our next inspection we are able to do things that will get us back up to level again. Our dining room displays a 'B' this is not because of food or hygiene- the vinyl which was placed on the walls many years ago is now peeling off and so we will need to replace it. While we are in the Kitchen we have discussed with our club caterer any other matters that have arisen and have realised that by updating the kitchen area at the same time we have a kitchen that will be more workable for staff.

Money is tight as we all know and so in the next few months we will hold various events where you as a member may be able to help us monetarily wise in **support** of **our club** progressing.

Our Axemen's section is holding a two day Gala on Saturday 19th and Sunday 20th November 2011. In conjunction with them, we would like to make **Sunday 20th** an extra special **Gala Day** by combining with them to make it bigger and brighter! The GVR will be operating and we are looking at our advertising already. This is a chance for our sport sections to hold a stall and raise money for their section. The Indoor Bowls are first hands up and will be doing a sausage sizzle. Stalls are free to our sections. We will be opening up to schools and other organisations in the community, but sections this is your chance to put your thinking caps on and get behind a great day! Please see your delegate to committee and let them know so we can book you in NOW!

We have a hard year ahead, but we are determined to see our club move forward in more ways than one! Don't forget we have a **suggestion box** in the lounge bar and I welcome any good suggestions from you!

Help us to Help you and our club prosper!!
